Event Price: \$10

Join Bonnie Salamon and Susan Kersey, Charter Facilitator Coaches for Natural Rhythms, to celebrate the Summer Solstice and revel in the light of the fullest point (and shortest night) of the summer season. We will honor the abundance of Earth Mother and the manifestation of your earlier sown intentions. We will ceremonially connect with what is needed to bring those intentions to fulfillment, and infuse them with the energies required to help each creation fully ripen.

Celebration begins at 7:30 PM, and doors will be closed at that time until our event ends at 8:30 PM. Please arrive by 7:15 for preparation.
